Erika Bloom Pilates Plus Comprehensive Pilates Certification

October 2014 - April 2015

Erika Bloom Pilates Plus is known for its superior Pilates instructors, trained with an eye for detail and ability to custom tailor focused and effective sessions for every client type. The goal of the Comprehensive Pilates Certification is both to train exceptional instructors, as well as hone new talent for the studio.

The Comprehensive Pilates Certification provides both Pilates mat certification and full 600+ hour Pilates apparatus certification. With one program, you will be prepared to teach informed and effective sessions of the Pilates repertoire including mat and the complete apparatus: Reformer, Cadillac, Chair, and Barrel.

Our program will provide you with in-depth knowledge of both the classical and contemporary exercises as well as additional information that is typically only found through continuing education courses.

Learn to teach your clients to master the exercises, change their bodies, and improve their health. *We accept students by application only and consider all certifying students as candidates to join our amazing team of Erika Bloom Pilates Plus instructors.*

Classes run Fridays 4-8pm, and Sat/Sun 3-7pm from mid-Oct through April
