Attention NYC dancersif you are looking for a FUN, INSPIRING and ACTIVE WAY to make extra cash, audition to be a certified Kerboomka Instructor! Kerboomka® is different than any other dance fitness class you have ever taken because you're stimulating your body AND mind. The moves are taught in three sections and in counts of 8. The steps are repeated so you can remember them easily so by the end of the class , you've completed an entire routine! The songs get faster so you could push yourself and work harder and faster, ultimately burning more calories.

We are looking for funky, outgoing, dedicated instructors. We have gyms lined up, we just need the right instructors to teach! We will be holding auditions at New York Health and Racquet Club on July 19th. To RSVP, please click on the link below.
