[EPIC Motion](#) is an award-winning dance company based in New York City featuring a collective of dancers with the common desire to express themselves on a larger stage outside the dance studio. Our members embrace their individuality as the primary force behind their innovative movement. Through frequent rehearsals, performances and classes we hope to advance beyond our limits as dancers while growing together as a family.

This September we are seeking some fresh, new talent to join us as we enter our seventh year. We are looking for dancers that move in any style, to any genre of music. We are looking for those who love to push themselves for their art and share it with others. If that sounds like you, then we welcome you to show us your energy and passion at our Season 7 auditions!
