Hello friends,

We are looking for a volunteer who would video the entire NYC10 performance on September 24th. The video is set on a tripod and is very easy to operate. There is nothing special to be done. No close up or other special manoeuvre is required.

You get to see the show and you will get a half-off drink coupon.

The show is at Dixon Place Theater, 161A Chrystie Street in the Lower East side. Starts at 7:30 p.m. You will be required to sign in at 7:00. The show is usually for 2 hours with an intermission. So, it should be over by 9:30 p.m.

Please email me directly at info@nyc10.org, if you are interested in helping out.

Thank you.
