Jennifer Muller/The Works seeks dancers for their workstudy Scholarship/Apprentice Program.

The Works' Scholarship/Apprentice program is a professional development opportunity for aspiring professional dancers. Serving approximately 25 students every year, scholarship and apprentice students gain hands on experience working with a professional dance company. This program offers students attendance at company classes free-of-charge in the Muller Polarity Technique, taught by company members, alumni, Artistic Council Members and Jennifer Muller. In exchange for technique classes, scholarship students and apprentices provide administrative support for JMTW, offering participants an invaluable, in-depth experience into the running of an arts organization. The program also offers workshops in Muller's Creative Mind Technique and Teacher Training on a rotating basis.

Auditions will be held during company class, which is held Monday-Friday, 12:00-2:00.

Please email rgorman@jmtw.org to set up an appointment and please send your head shot and resume.
