We are a small ballet school on the Upper East Side looking to offer elderly Ballet classes. We are ideally looking for self starters who have experience teaching the elderly, are willing to rent our space, and promote the classes mostly on their own. We are located in a phenomenal area, close to all public transportation. We have a beautiful facility with a large studio, two large dressing rooms, two bathrooms, and a shower. You will also have access to all of our young dancers' parents and caretakers to market to! If you are looking to start your own elderly dance program and build your own following, this is the perfect opportunity for you!
