Seeking Interns for Jessica Taylor/DAMAGEDANCE's 5th Anniversary Season!

DAMAGEDANCE is seeking smart, passionate, and dedicated people to fulfill internships in development, educational outreach, fundraising, marketing and administration. All interns will also have hands-on experience at our 5 Year Anniversary Season performances and gala. Must have excellent writing and communication skills, be able to commit 5-10 hours per week, and be able to work independently from your own computer. Schedule is flexible. While this opportunity is unpaid in the form of money,, you would have the opportunity to take free company class as compensation as well as receive other benefits in the form of bodywork, artistic consultation and more (inquire for details!)

Anyone applying MUST be able to commit their time with us through May 2015. Start date is flexible, but no later than January 5th.

This is a great opportunity to gain experience with an emerging contemporary dance company, and build connections with the dance community.

To apply:

Please email your resume and cover letter to damagedance.nyc@gmail.com. In your cover letter, please describe why you would like to support DAMAGEDANCE's company mission. Then please explain what you believe you could bring to the table as well as what you would like to learn. We enjoy customizing our internships to fit the specific person. Due to an overwhelming amount of responses in the past, we may not be able to reply to each applicant.
