## male and female dancers

Company: stringdance+media

Compensation: yes

► [Share](#) | [Print](#) | [Download](#)

Spyros Stefanou

stringdance+media seeks male and female dancers for rehearsals during February and March at LaGuardia Community College in Queens. Dancers should have ballet training, and preferably some other kind of movement experience (jazz, Flamenco, martial arts). No pointe work, some partnering. The rehearsals are to develop choreography for a film, but no shooting dates have been set. Please send resumes, photos and, if possible, links to videos.
