Amalgamate Artist Series (AAS) exists as a creative platform to unite a variety of artists so they may share their work, perform, and gain feedback for future artistic growth. Choreographic submissions are welcome at any stage of the process and can be up to 10 minutes long.

AAS is a curated line-up of exciting emerging to mid-career artists, uniting to offer a tremendous night of inspiration, action, and connection. During and after the performances, audiences and artists are encouraged to give constructive feedback on the work being presented. All written feedback is collected and distributed to the respective choreographer.

In addition to the performance, the Artist Series includes a free workshop held at Bridge for Dance! All accepted choreographers and performers will be invited to attend an exclusive contemporary dance workshop. This workshop will be at no additional cost and is included in the accepted artist participation fee.
