Tango & Salsa Dancers/Instructors needed

Company: The Physical Plant
Compensation: TBD

► [Share](#) | [Print](#) | [Download](#)

Seeking 1 tango and 1 salsa instructor for a benefit party TBD first two weekends in May, ideally with a partner, or a tango/salsa couple who would perform for an instructor. Instructor would lead a 30 minute basic lesson to beginner/open-level partygoers and ideally also demonstrate a 3-4 minute performance with their partner. This is a good opportunity for instructors to promote their business, studio, and dance services to both the partygoers and the venue, and will also be personally promoted through the event's marketing and social media. Total time commitment would be about an hour (including any prep).

Event date is currently flexible but will be early evening. Compensation agreement will be discussed upon inquiry. This event is a benefit party to raise funds for a dance festival featuring choreographers/companies from Queens-- so if you are Queens-based, this would be a great cause directly for your community! Please e-mail thephysicalplant@gmail.com for more info, thank you!
