Company: LEGGERE STRUTTURE ART FACTORY
Location: Bologna, Emilia-Romagna

► [Share](#) | [Print](#) | [Download](#)

A Professional Program for dancers lasting 8 months for a total of 960h of training from October 2015 to May 2016. The platform is composed by daily classical and contemporary training, monthly workshops with national and international artist , composition and improvisation work held by the teachers and from the guest artist. Workshops of this year will be attended by, Eduardo Torroja, Blenard Azizaj, Brigel Gjoka, Mikel Aristegui Tello, Feldrenkrais with Teri Weikel, BMC with Maria Martinez . Also are included meetings with professionals artists such as light designer, composers and multimedia programers such as the "Project WORK " starting this year. The course provides also the participation in versatile projects organized by Leggere Strutture. Participants will be followed and informed monthly about working opportunities and auditions, as is the final goal of Dance's Start Up to form and training dancers and introduce them the path to the professional stage.

PROJECT WORK

The participants will be involved in a innovative reserach project of dance and technology thanks to wich they will experince the revolutionary program TouchDesigner in order to arrange interactive performances; a workshop of carrer planning conducted by expert who will teach to the participant how to write a successful Cv and how plan their carrer though group and individual meeting. Thanks to the contribution to the Fondazione Cariplo Founder 35 the VI edition provides the development of "Project Work"
