BRIClab is a commissioning and residency development program for emerging and established local artists to explore and expand the possibilities of their work in music, dance, theater and multi-disciplinary performance. Free exploration and rigorous commitment to process - with the support of the staff and resources that BRIC offers - are at the heart of the BRIClab program. Artists receive stipends and an exclusive 10-12 day intensive residency in BRIC's Artist Studio with development time, artistic mentoring, and work-in-process performances.

Proposal Deadline: March 31, 2015

Selected projects will be invited to participate in the Fall 2015 or Spring 2016 BRIClab seasons through further conversation with BRIC's programming staff.
