Hey everyone.

For the last year or so I have been working on a book project centered around photographs of dancers in their own homes.

I have worked with many dancers of this project already and am looking to add more.

If you are interested please send me a headshot, a full body shot (preferably performing), and if possible a video of you performing.

Also please send your availability.

And please, for my own sanity, put BOOK PROJECT in the subject line to help me keep track of you.

Thanks!
