Company: Skye Von
Location: Brooklyn, NY
Compensation: meal and reel

We are looking for a choreographer, who is well versed in Modern Dance.

This music video is inspired by FKA Twigs and her very visually striking and abstract dance style, and Michael Jackson music video Black and White. The music video will involve a dance choreography perfectly mimicked by each dancer, so that each dancer can afterward be morphed into one continuous dance movement in Computer generated Visual Effects, giving the illusion that each dancer is only one person. Attention to detail is imperial, since the dance movements need to be matched as close as possible.

Shoot is May 8th.

The concept of the video is that we are all cut from the same fabric and that color, gender do not separate us.

Please send headshot, expertise and any of your prior experience.

Great opportunity to get a profesisonally produced piece of work for your reel!
