SHORE is a multi-day performance installation of dance, story, volunteerism, and feasting. It is a celebration of the places where we meet and merge - land and water, performer and audience, art and community, past, present, future. We are looking for volunteers to help with the celebratory potluck Feast on Sunday, April 26. The event will be a day to enjoy homemade food, oysters, wild Alaskan salmon, wine from Broadbent or KelSo beer, to canoe on Newtown Creek, to sit by a fire and hear music by Ben Weaver - in other words, a very special event that we hope you will all come to regardless, and possibly help a little on either end. We need hands for some set-up beforehand and/or easy take-down at the end. Please contact Margot if you can be a part of the SHORE Feast team!
