The A.O. Movement Collective is looking to hire 4 male performers for an experimental performance this Fall as part of their ongoing queer/feminist sci-fi ETLE Universe project (ETLE.info). These four men will be embodying the roles of "the Anders"--a post-human race where each single being exists in two identical bodies simultaneously. The Anders are beautiful, attentive, submissive, and move with a quiet and stunning grace. We are looking for performers with an underwear model body type - athletic, gorgeous, and sultry - and who have modeling/performance experience, be it commercial, theatrical, or as an art model. Twins, transmen, and Q/POC especially encouraged to audition.
