Kalamandir Dance Company (501c3) is a contemporary dance ensemble that uses the vocabulary of classical Indian dance to explore new spaces of artistic expression. Instead of diminishing the foundation of our classical styles, we look to investigate their communicative potential when merged with Western dance traditions. Using Odissi, Kathak, Bharatanatyam, Capoeira, Flamenco, Modern and Ballet training, our dancers converse with movement and create dialogue with expression. We are driven by creativity, human emotions, and a desire to be released from the four walls of our daily existence. Our movement vocabulary aims to create a reachable area for all people to participate and communicate.
