Jennifer Muller/The Works is seeking students for their Scholarship Program.

The Works' Scholarship/Apprentice program is a professional development opportunity for aspiring professional dancers. Serving approximately 25 students every year, scholarship and apprentice students gain hands on experience working with a professional dance company. This program offers students attendance at company classes free-of-charge in the Muller Polarity Technique, taught by company members, alumni, Artistic Council Members and Jennifer Muller. In exchange for technique classes, scholarship students and apprentices provide administrative support for JMTW, offering participants an invaluable, in-depth experience into the running of an arts organization. The program also offers workshops in Muller's Creative Mind Technique and Teacher Training on a rotating basis.

For more information on the Scholarship/Apprentice Program or to apply, contact Rachel Gorman at 212-691-3803 or rgorman at jmtw dot org.

*Classes are held Five days a week Monday-Friday, 12-2pm, at The Works' studio in Chelsea. Classes take place approximately 48 weeks out of the year.
