La Luz Studios is a multi-faceted art collective that serves the NYC creative community by offering unique classes and rental of its professional dance and photography studios in Bushwick Brooklyn.

We are seeking an energetic and well organized intern to assist with day to day tasks for 20 hours per week. Responsibilities will include booking photographers, assisting them with photoshoots and general upkeep. We would like the candidate to have an interest in photography who is a team player able to partake in the development of the collective. Benefits include one time payment of \$200 stipend every three months and opportunity to work with freelance photographers and learn arts management.

Please e-mail Andriana ([info@laluznyc.com](mailto:info@laluznyc.com)) to set up time to discuss along with a resume or brief letter of interest.
