Dear Everyone, thank you for all your excellent submissions. I wish I could everyone who applied, but I have offered the gig to 12 models, as my budget allows for this fall, and therefore, this listing is now closed. I hope you will submit again in the Spring of 2016, and you are welcome to submit again even if you weren't contacted this time around. I will open this back up if any of the models drops out. Thank you again!

I am hiring new FEMALE models with legs that are very muscular, lean, and well sculpted, particularly in the calves, to do photoshoots this fall (2015) to add to my portfolio. Please apply ONLY IF YOU FIT THIS DESCRIPTION.

A gallery of my work, and additional info can be seen at:

www.classylegmodels.photoshelter.com

The following types of FEMALES are ideal candidates: fitness models, dancers, gymnasts, runners, and cyclists/

I pay models \$150 for a 1 hour photoshoot, in cash, at the start of the photoshoot. In addition, you are free to use the photos for any purpose as long as you retain the small watermark that has my name in the corner (it's gotten smaller and smaller so that it doesn't ruin the photo).

To apply: please e-mail a clear photo of legs from behind, standing on tip-toes with calves flexed, and barefoot (NO heels/shoes) with feet pointing straight ahead, and write a brief introductory note. Use a mirror if you don't have someone to take the picture for you. This photos allows me to accurately see the shape of the legs; it is NOT used for anything other than this purpose. You may send any photos IN ADDITION to the one above, but please send the photo described above. No need to show your face in any photo, though you are welcome to.

Please understand, I'm looking for a specific type of legs. I will only reply if I'd like to pursue the photoshoot, so please don't feel bad if I don't reply! I am aiming to do around 10 photoshoots from August through November, but more or less depending on who I find.

Also, I will definitely NOT reply, if you don't send the photo instructed above. I spend a lot of time making the photos look great (sometimes hours on one photo), finding locations, and planning the photoshoot, so I want a little show of commitment from you too.
