RAW's SMALL HOUSE: Spooky Moves is a variety show of contemporary dance/theater performances curated for families and presented on October 10th and 11th in Sleepy Hollow, NY, home of the Headless Horseman.

If you are a choreographer or performer with a piece under 10 minutes that is family-friendly and slightly off-beat, please submit your proposal, with a description of your piece, biography and a link to video on YouTube or Vimeo for consideration. We encourage submissions that are contemporary, experimental and unique. Solo, duet and trio work is preferred. Possible projects could involve theatrical elements, puppetry, clowning, multimedia, and experimental dance.

RAW is entering its third year of programming contemporary dance presented to local audiences in the Rivertowns of Westchester County. Created for families looking to introduce their children to fun and intelligent live performance; RAW's Small House embraces dance, music and theater. Relaxed and informal, these one-of-a-kind showcases provide an opportunity to turn off gadgets and experience live performance art made for all ages, presented in kid-friendly, bite-sized-pieces.
