Erika Bloom Pilates Plus is now accepting applicants into our renowned Comprehensive Pilates Certification Program.

Candidates are trained to have an eye for detail and the ability to custom tailor focused and effective sessions for every client type.

The Comprehensive Pilates Certification provides both Pilates mat certification and full 600+ hour Pilates apparatus certification. With one program, you will be prepared to teach informed and effective sessions of the Pilates repertoire including mat and the complete apparatus: Reformer, Cadillac, Chair, and Barrel.

Our program will provide you with in-depth knowledge of both the classical and contemporary exercises as well as additional information that is typically only found through continuing education courses. Learn to teach your clients to master the exercises, change their bodies, and improve their health.

Scholarships are available and employment opportunities may be available to candidates who express interest in joining our teaching staff post-completion of the program.

Please direct inquiries and resumes via email to certification@erikabloom.com.

The program will run from October 2017 through spring of 2018.
