Just ONE more day to apply!!!

The Showcase Series is about shared human experience and connects and builds community through the conversation that performance creates. This annual two-night performance showcases the work of established dance companies and is also a space for new voices to emerge.

We curate work that is innovative, engaging, thought provoking, conversational, explorative. Do you want to add to the conversation?

By providing a performance platform, and supplying media to support individual future growth, the Showcase Series creates connection between artists in the New York community.
