The TALL Council at Brooklyn Arts Exchange is very excited to announce that the application for *Throughline* 2016 is now available!

Brooklyn Arts Exchange's TALL (Teen Artists, Learners and Leaders) Council in conjunction with Youth Education at BAX is seeking artists ages 15-25 for the *Throughline* showcase. *Throughline* is an interdisciplinary showcase catered towards a spectrum of youth artists to artists who are in the early stages of their career. This is a unique opportunity for performers (poets, dramatists, choreographers, videographers, etc.) and visual artists (photographers, painters, etc.) to share works-in-progress, participate in an artist talk back, receive audience feedback and network with fellow artists and art appreciators. Our goal as a council is to not only create spaces of creative expression for artists, but to also curate a cohesive and immersive event. As a council, we are interested in breaking conventional aesthetics, so we are looking to accept pieces that engage with both challenging content and form. This opportunity requires no application fee.

Performance Date: February 27th, 2016

Performance Location: Brooklyn Arts Exchange

Application Due Date: December 12th, 2015
