Currently seeking freelance modern-contemporary dancers (both male and female) for upcoming projects; including dance films, showcases and dance festival performances.

Dancers should have strong modern technique, improvisational skills, unique movement quality, athleticism, stage presence and a willingness to collaborate with other artists (dancers and choreographers alike). Rehearsals will begin in February and dates/times are TBD. Please forward a headshot, resume (if applicable) and a demo reel and/or dance clip. Please only send video links and no downloadable attachments.
