Due to the generosity of New York State Council on the Arts, Brooklyn Ballet is offering discounted space rentals at \$10/hour to independent choreographers and non-profit dance companies in New York City. This rate is only valid for rehearsals, not for workshops or classes.

The studio features a sprung dance floor, marley, portable mirrors, ballet barres, and stereo system. With floor-to-ceiling windows facing the street, the studio offers plenty of natural light. A CD player or iPod jack and speaker is also provided.

Our studio is conveniently located in Downtown Brooklyn, nearby the A/C/G trains at Hoyt Schermerhorn, 2/3 Hoyt Street, and F/R at Jay Street/Metrotech.

To inquire about availability and reserve space, email info@brooklynballet.org or call 718-246-0146.
