OPEN CALL FOR

DANCERS/ PERFORMERS/ BODIES

We are currently accepting submissions from artists of all ages, training, and background for a massive multidisciplinary project late May. Seeking those comfortable with movement (no extensive dance training necessary) as well as those comfortable with vocalization. Especially interested in casting "non-traditional" body-types as well as 50 years + in age.

ABOUT THE PROJECT:

Authority Figure is a social psychology experiment that uses choreography, sound and installation to elicit emotional response from the audience. We have brought together seven choreographers, four installation artists, a full production team and are building a cast of 100+ performers/dancers to develop an atmosphere whose motive is to consider our relationships to authority, obedience and each-other.

Directed by: Sarah Kinlaw and Monica Mirabile
