CASTING TALENTED PERFORMERS:

SINGERS, DANCERS, RAPPERS & MORE

Are you a talented singer, artist or performer in the music, dance, or musical theatre industry?

Do you have a BIG personality, drive and ambition for fame?

Have you always wanted to express your real life experiences & challenges through SONG?

Are you connected to other singers or performers with colorful and opinionated personalities like yourself?

Are you willing to do whatever it takes to make your artistic dreams come true?

If so, we want to hear from you!

A new television docu-series is looking for ambitious and charismatic singers, rappers, dancers, choreographers and other musical artists in NYC, LA or Atlanta. The series will document their lives as they try to figure out life, love, and friendships. It will also provide a new take on storytelling by allowing individuals to express their struggles and life-changing experiences through SONG!

For more information and to speak with a Casting Producer, please email [s3casting@itvstudios.com](mailto:s3casting@itvstudios.com) with your name, contact info, location and a brief description of yourself -- and don't forget to include a photo, performance reel, and/or any relevant social media links. We look forward to hearing from you!

Please do NOT include any personal identification information, e.g.: address, DOB, SSN, Drivers License # or financial information.
