James Houston

For nearly three decades, The Taylor School has been a premier training ground for modern dance technique and the best place on earth to study Taylor style and repertoire. The Taylor Intensives have achieved distinction by virtue of outstanding faculty members – distinguished Taylor dancers and alumni – and the exceptional personal attention given to each student. With Taylor dances now in the repertoire of many renowned companies around the world in addition to those of the Paul Taylor Dance Company and the Paul Taylor 2 Dance Company, it is vital for dancers seeking a place in today's dance world to know Taylor style and repertoire. The Intensives provide that opportunity – come learn from the masters!
