"If you are serious about a career in dance, The Axis Connect Summer Intensive is perfect for you" - Vincent Paterson

AXIS CONNECT brings together high-caliber dance artists - choreographers, dancers, teachers and industry leaders - from around the World for a two week intensive of classes, workshops, creative process, rehearsals, panels, networking and performance opportunities in both Los Angeles and New York City.

Led by founders Cherice and Charissa Barton, the mission of AXIS CONNECT is to help enable emerging professional dancers to carve their own paths as fearless, connected artists. We bridge the gap between the institution and the professional dance industry by providing the experience, skills and exposure necessary for career success.

Acceptance into the program is by audition only.

The 2016 session runs from July 24th - August 6th, 2016.
