Hi, I'm a student at NYCDA and I'm producing a music video to feature on my new company's Youtube page and to enter into summer festivals, including AfroPunk and Brooklyn Webfest. This video speaks about social change and the need for diversity in the entertainment industry. We need dancers of all ages and ethnicities who specialize in modern and contemporary dance.

If you would like to be a part of this project, email me at kdub240.kw@gmail.com and I'll reply with an info document including all audition dates and times. Thanks so much for wanting to contribute, and we hope to hear from you soon!
