## Fertile Ground New Works Showcase

Company: Green Space Location: Long Island City, NY ► Share | Print | Download

Planning to perform your work-in progress or newly created work in NYC? Look no further than Fertile Ground at Green Space!

Fertile Ground is a NON-CURATED showcase for emerging and/or established artists produced with full production values. The evening consists of work shown by five or six choreographers, followed by a moderated discussion - over wine and cheese - that integrates the choreographers, dancers, and audience members.

This series offers an excellent opportunity for participants to share new and developing work, then receive informative feedback about it in a supportive environment.

Available Dates in 2016: 9/25, 10/23, 11/13 & 12/11.

2017: 1/22, 2/12, 3/19, 4/23, 5/14 & 6/4

Deadline: Applications are accepted on-going, first-come, first-served until the performance dates are full.
