1 Male dancer needed for a dance film. One-day outdoor shoot will be during either of the last two weekends in August, most likely August 28th (but must be flexible with shoot dates in case of weather). Rehearsals are Mondays 6-9pm and Wednesdays 10-1pm, with rehearsals adjusting to only Wednesdays as we get closer to shoot date. Must be available regularly for rehearsals.

Film will be shot in a beach environment, dancing on sand and in water. Movement is highly physical-- gymnastics and/or martial arts experience is helpful. Stipend will be paid for shoot day.

Please e-mail your resume and headshot to thephysicalplant@gmail.com. Those considered for casting will be invited to audition in rehearsal this coming Monday, June 13 3-6pm. Please make sure you can commit to the schedule before submitting, thank you!
