Ghost Card, a site-specific performance installation in Hudson River Park at 29th Street is looking for ushers to help us with crowd control for our upcoming performances Wednesday 08/03, Thursday 08/04, and Saturday 08/06. There is a \$25/show stipend available for each usher or \$100 for ushers who can help us with all 3 shows.

Ushers will be expected to arrive by 6:30pm. There will be 6 ushers at each performance. As an usher you will assist in crowd control, handing out information cards, and acting as an audience ambassador.

This is a fun, audience interactive card-game-turned-performance that uses crowd-sourced stories online and in person to generate the show. The audience draws cards to determine the order of stories each night as the performers move around, above, and in the Two Too Large Tables sculpture at Hudson River Park by 29th Street. If you are interested in ushering, please email Corinne Woods at woods.corinne@gmail.com with the subject line GHOST CARD USHER and include which dates you are requesting.
