Hello Everyone,

I'm looking for 2 more dance duos to participate in my Dance Game Show. The gist of it-- we all (dancers and audience) watch a projection of a short video clip. Dancers then have 3 minutes to create choreography based on that video (while the audience watches). After three minutes, dancers share their choreography and then are awarded scores by a panel of comedian judges. It's super fun, and more a party of the creative process than a competition.

Blurb from website:

Strong dance technique is thrilling to watch. Internet videos are impossible not to watch. "Dancify That!" invites outstanding performers to compete in creating choreography inspired by surprising and ridiculous videos excavated from the depths of the internet. It's part eccentric Japanese game show, part So You Think You Can Dance, and part Gong Show. Find out who will reign supreme as the distinguished champions as you laugh your way down a YouTube rabbit hole. Featuring comedic judges, costumes, dance trivia and more, "Dancify That!" will entertain your chasseyz off.
