The Emerging Choreographers Showcase is devoted to the exhibition of emerging artistic talent as company dancers and choreographers, joined by visiting artists, produce the 8th annual production under the artistic direction of DRDT company member Joshua L. Ishmon. The showcase creates the opportunity for emerging talent to debut and mature their voice, while simultaneously providing an environment in which established dancers and choreographers are able to experiment in taking their work in new directions.

Choreographers: If you are interested in being considered for a slot in the 2019 showcase please click [here](#) to fill out an application and submit an online sample of your work.
