The Atlas Circus Company will be live at Dixon Place in New York City. In addition to strong circus performers, we are also looking for dancers and actors with no prior circus skills. We combine elements of theater, dance, and circus arts to create a meaningful, emotional, and powerful narrative performance. This show is the New York City premier of Atlas Circus Company, so being a part of this project would put you at the ground floor of a new show and an aspiring performance company.

The rehearsal commitment is 6-8 hours a week from January 15th - February 17th. Our tentative rehearsal schedule is Monday nights and Saturday morning/afternoons. As we approach the performance the rehearsal days and hours will be subject to change.

Audition Date: January 8th

To sign up for this audition, you must send your resume, headshot, and performance reels to hevans@atlasircus.com as well as complete the attached sign-up sheet. You will be notified with more information regarding the audition.
