Open auditions for deaf people who wants to join our theatre dance project. Our project is called "My dancing heart" and we accept deaf people and ASL knowers. Few months ago I started few workshops for deaf community from New York and I discover I huge potential for a performance. We still need more people to join us. I'm a professional actor and I did a similar performance in Europe in 2013. It has a huge impact into artistic world at that time. We're planning to have the opening night in March, 2017.
