The Creative Cultural Center (CCC St. Veronica) opened in October of 2015 at 149 Christopher Street in the historic west village St. Veronica Church. CCC St. Veronica is lead by Jorge Navarro, whose organization ArtsFlamenco has produced authentic flamenco shows in New York City for over 15 years. CCC St. Veronica features six renovated studio spaces, which are available for rent by commercial and non-profit organizations, and offers classes in a range of dance styles for beginners to advanced dance students.

We are looking for an intern to help us research Grant opportunities, write Grant applications, and assist with Development and Fundraising activities. Excellent writing skills required, and experience with Adobe InDesign and Photoshop programs is a plus. This is a volunteer position but CCC St. Veronica desires to provide services in exchange for compensation, to be discussed with Mr. Navarro upon hiring. To apply, please send a resume and cover letter to halapenos@gmail.com.
