CALL FOR SUBMISSIONS

DEADLINE EXTENDED TO FEBRUARY 22ND!!

The Choreographic Development Residency (June 18 – July 22) is a 5-week program to foster the development of new work by emerging choreographers of exceptional promise. UNCSA Summer Dance will award 4 choreographers the opportunity to further their choreographic research and create new dance works by providing studio space, dancers, mentoring with Helen Pickett, workshops and a fully produced performance of the work. Room, board and stipend are provided.

The 5-week residency will consist of daily technique class (optional); morning mentoring sessions, workshops, and lectures all led by esteemed Summer Dance faculty and guests; followed by afternoon rehearsals with a cast of dancers from UNCSA Summer Dance. In the evenings, choreographers will have access to UNCSA's beautiful studios for further choreographic research. The residency will culminate in a performance of the work on July 21 at the Stevens Center in downtown Winston Salem. Video documentation of the work will be provided.

Choreographers will be chosen from an open call for submissions. We are looking for emerging choreographers who exhibit a strong choreographic voice and exceptional promise. Two Contemporary choreographers and two Contemporary Ballet choreographers will be selected.
