The World Dance Alliance Americas is presenting its third annual WDA Digital Dance Concert, a double-blind reviewed online presentation of videoed choreographies and dance films created specifically for the camera. The Digital Dance Concert aims to offer a virtual platform for choreographers, companies, and dance filmmakers to present, promote, and disseminate their work. Selected dance-for-camera works will be featured online through a digital dance concert format on the WDA-A website. Select works will also be presented at the 2017 World Dance Alliance Global Summit at the Memorial University of Newfoundland in St. John's, Newfoundland, Canada – July 23-28, 2017.
