LEMI collective is hosting 100 DAYS-- an evening of movement-based responses to the first 100 days of Donald Trump's Presidency to be presented on April 29, 2017. This event is intended to provide the dance community with a safe space to articulate their voices. Up to ten selected works will be shown during the course of the evening in an intimate studio setting in the East Village.

There is a \$15 production fee to participate. This includes photo/video documentation of your performance.

Responses cannot exceed 10 minutes. Responses should be movement-based; however, interdisciplinary collaborations will be considered. Responses may use nudity and profanity with discretion. Topics are not limited, except that they must adhere to the theme of Trump's election/presidency and the current social/political climate of the United States.
