Summer Dance Intensive 2017

This program is designed for intermediate and advanced students ages 12 and up who are committed to enhancing their dance training on a pre professional level. The program is geared to providing students with a chance to improve artistic development, experience a professional company process and acquire life long career building connections and network.

FrediDanceProject focus is also based on educating dancers about dance history, theory, choreographic process and maintaining healthy lifestyles with support from on site physical therapists to offer injury prevention and knowledge.

Participants of the FrediDance Project Summer Intensive will gain the technique and experience that will build their knowledge, strength and ability to pursue professional careers in dance.
