CALL FOR CHOREOGRAPHERS!

We invite you to submit your application and work today to participate in the HATCH Presenting Series at Jennifer Muller/The Works' Studio.

Dates: March 25th, April 8th and 22nd, and May 6th.

Over the years, HATCH has presented over 870 works in a studio environment. The series showcases developing works and allows the audience to engage and interact with the artists!

Things you NEED to know:

This is an informal, cost-free space in which to present the work of emerging and established choreographers, theater & performance artists.

The studio environment supports showcasing work in a "bare bones" state. The intimacy of the space works to an advantage, bringing the audience right into the action.

Showings will also be followed by an audience/artist discussion.
