The Vanessa Long Dance Company's Long2 Company works with gifted performers to give them the extra push they need to join the professional performing arts world. Our Pre-Professional company is a stepping stone into the professional company. At the end of the season we will be selecting one company member from the pre-professional company to join the professional company for the 2017-2018 season. Focus is placed on technique, musicality, performance, and audition prep. The company works mainly in contemporary dance with a mix of jazz and theater. Those selected for the Pre-Professional Company will have the opportunity to perform several times throughout the season, build their resumes, network, and work with choreographers who also run their own professional company.

Rehearsals run October 26th-April 12th from 4pm-6pm.

To apply please send resume, headshot, and reel/ video of yourself dancing.
