What is NACHMOx?

NACHMOx is a condensed version of [National Choreography Month](#). NACHMOx continues the spirit of creation where pieces are created and shared in the spirit of all things fun, fresh, and fair!

The rules are simple: You can submit as a company, as a choreographer, or as a dancer. Choreographers and dancers will be paired together. Each NACHMOx will focus on a different interdisciplinary theme as a jumping off point. You'll have one week to create a brand new dance piece to be performed at [The Tank](#) in midtown Manhattan.

What does it cost?

NACHMOx at The Tank is completely free for participants! We strive to provide a few hours of free rehearsal time depending on scheduling.

What's the timeline for this round of NACHMOx?

Deadline to apply: March 13th

Meeting with all participants: March 14th 5pm-6pm (if you cannot attend, you may still participate)

Performance at The Tank: March 23rd (tech day of, performance at 9:30pm)
