MCGD is holding a summer workshop August 21st-August 25th from 4:00pm-6:00pm at Mark Morris Dance Center

This immersive five-day workshop will serve as an introduction to Marie-Christine Giordano's technique and choreographic process. Giordano has developed her own technique over the years, based on principles of modern dance and ballet that she values. It strives to develop a powerful core in dancers by strengthening the muscles of the trunk, granting them the freedom to explore the full potential of their physical and artistic expression. This will be a great opportunity for dancers to become familiar with Giordano's movement, and a chance to be considered for company positions.

TUITION: \$125 for the whole week. \$20 Required Reservation Fee, upon acceptance.

To Apply: Please send a headshot, resume, and video if available to dancers@mcgdance.org by May 31, 2017. You will be notified of acceptance within 10 days after submission.

"Ms. Giordano is clearly a choreographer committed to constructing a personal dance vocabulary." -Gia Kourlas, The New York Times.
