The Series is a cultural exchange of dance. This contemporary dance festival gives opportunities to 25 emerging dance companies, choreographers, and contemporary dance artists to share their work with Audiences, Company Directors, Producers, and Presenters of dance. We aim to cultivate opportunities for collaborations and commissions.

Who are we?

Ballet Inc. was founded in 2012 by Executive Artistic Director and Resident Choreographer Aaron Atkins and Former Executive Director Edgar Peterson III. Aaron and Edgar felt that there was a need for diversity within the dance community that appeared to only celebrate artists of very specific backgrounds and skillsets. Ballet Inc. gives a platform to an array of diverse, talented artists while challenging the performing arts and dance normative. Our goal is to provide opportunities to these individuals regardless of race, ethnicity, body type or traditional dancer limitations.
