MASH cordially invites you to attend the fifth International Choreography Competition, to take place December 1-2, 2017.

MASH is seeking original works which challenge the borders of choreography as the moving-body oriented performing discipline.

The Jerusalem International Choreography Competition is held during Jerusalem Dance Week, which is attended by large audiences and dance professionals and festival organizers from around the world. It is not only about dance, it is also about culture and diversity. There will be free tours of Jerusalem and panels as well.

Great prizes in a wonderful platform at one of the most interesting cities - Jerusalem.
