Movement Research continuously seeks to engage a more diverse and inclusive participant body and strives to recognize individuality and create equal opportunities for all, regardless of race, class, gender, ability, ethnicity, sexuality or age. MR is committed to maintaining a strong connection to an existing diverse community of experimental artists and audiences, while at the same time expanding its definition of experimentation to more broadly include working within and pushing the boundaries of all movement-based forms. Movement Research recognizes the incredible need to diversify the range of aesthetics, cultural and socio-economic backgrounds represented on NYC stages and strongly encourages applications from individuals aligned with this vision.

Email inquiries only, please; no phone calls.
